SILENT DISCO CITYWALK BY PAPAYA STORIES

FAQ Route #1 - Victoria Park - Silo Park

How long does is the event running for?

It's a 60-minute energising and uplifting walk that includes dance & interactive games along the way, plus 10-15 minutes briefing session prior to the experience. That's why we ask you to come along at 1.45pm before 2.00pm start.

I don't want to dance in public, will I enjoy the experience?

Sure. We can't see why you won't enjoy the experience. Because let us ask you the following question. When was the last time you were listening to the same music with a bunch of fun strangers, walking around Auckland and watching those strangers doing boogie-woogie. Even if you prefer to observe but not to participate in the experience, you will get a lot out of it. We guarantee GOOD TIMES and GOOD VIBES.

Where shall I park?

For Silent Disco Citywalk Route #1 we recommend to park between Victoria Park and Silo Park. Here are a few parking options below:

Off-street parking on Halsey Street

What shall I wear?

Please put comfy shoes for walking, jumping and dancing as we move around for 60 minutes. Silent Disco Citywalk is quite an energetic and physical activity, so make sure you wear clothes that allow you to move freely and breathe deeply.

Can I take my children with me?

We welcome toddlers (no need to buy them a ticket). And Children 7+ years are welcome to come on board too.

Can I take my grandparents with me?

If they are full of energy, life and like to get physical, surely take them along. However, if they are too old to move fast & react quick, they might want to attend our special Senior events that we'd like to launch later on.

Will we have water / WC stop?

Yes, we will keep you hydrated along the way. There will be water stops to let your water in as well as there will be a WC stop to let your water out. So no stress.

What sort of music do you have in a playlist?

It varies and combines all sorts of genres, represents musical mix from various countries, including some good greatest hits. We collaborate with various DJs from NZ to make it more fun, engaging and new every single time.

What is the route of the walk?

We won't tell you all the walking secrets, but we happy to let you know that our starting point is Victoria Park and we finish down at Silo Park.

What if it rains?

We will still keep on going and enjoying. We got you covered.

If it starts to rain during the event, we have a plan B. If it rains before the event, we will switch to plan B straight away.

What if it snows?

If it starts to snow in Auckland, I think we should seriously think about changing the location of our event and move it to Pasifika islands.

What's next? Are you planning to do more walks?

We want to do more for sure and walk around Auckland non-stop.

In our nearest plans to do a fun city route during the winter-spring season that will include a walk around Britomart, jumping on a train and walking around shopping malls.

Also we'd like to take walks to the suburbs of Auckland, to invite people from low-decile families and schools to enjoy a Silent Disco Citywalk. We'd like to organise more fundraising events and help various charities to raise funds towards their causes. So if you know someone from the charitable trust organisations, local boards or you're responsible for community engagement events, make sure you get in touch with us via papayastories@gmail.com
